 Account Nickname:

Check here to help us tailor our account specifically toward you.

If the account you are creating will be the "Advertiser ID" for your account, it will be visible to the customer, since data we sell is one of our products, and will appear on the merchant line when we send you a check. Use it to find that the account nickname cannot be changed once your account has been opened.

3. Fill in your name and contact information. Ensure there are no typos because ClickBank will send your commission checks using the information you fill in here.

Enter a valid email address as you have to activate your account with a code sent to the email address which you fill in here.

In selecting the nickname, I recommend using a nickname that relates to the book, or a code-type-of-nickname, because your nickname will be part of your personal promotional link and it cannot be altered.

How Do You Get Your Commissions?

You need a personal commission link. This link will have your affiliate ID (XXXXXX) in it. Place these links on your site to promote the Baby Bowen. Whenever anybody clicks on these links, they will be directed to the Baby Bowen sales page. If any of these customers buy the product, you will receive commission. Your commission will be calculated as 70% of the product retail price and will be processed and sent to you by Clickbank.

You can get your affiliate links directly through Clickbank from the Marketplace. This method avoids any typo errors as the links are generated for you and is highly recommended.

1. Go To Marketplace
2. Find product by searching for instant natural colic relief.
3. Click on promote button
4. Enter affiliate ID, you do not need to enter a TID-this is used for tracking purposes.
5. Two links are created for you.
6. First link is not a text link with your affiliate ID.
7. Second link allows you to create a text link with your affiliate ID.

Example Text link:

```
<a href="http://xxxxxx.babybowen.clickbank.net">Colic Relief!</a>
```

Text appears as [Colic Relief](#)

Use these links in your site to promote Baby Bowen.

To check your commissions, login to clickbank. The Account Home will show your commissions by week..

The "Account Home" window will open and show the commissions you have earned.

Important! Always remember to LOGOUT using the link in the upper right hand corner after your session.

To monitor your sales and statistics, e.g. how many visitors are clicking on the links etc, go to Account Settings. Click on Analytics.

This will show the up to date statistics for your account.

I hope this guide has helped you to get started!

Thank You for promoting Baby Bowen!
